## Lake Michigan Coast Week September 11-18

Share the wonders of the Lake Michigan coastal region during Coast Week, September 11-18.

Plan to celebrate the diversity and splendor of the Lake Michigan coastal region by attending a variety of events sponsored by the Lake Michigan coast program and other regional organizations. These events will highlight the cultural, historical, and natural resources of Northwest Indiana along Lake Michigan.

Events will include the Coast Week Kickoff event at Washington Park in Michigan City, hikes at Hoosier Prairie, Alternative Fuels Conference, beach cleanup events, and an interpretive tour of the Coastal Area on the South Shore Line, just to name a few.

Activities are geared for people of all ages. Wherever your interests lie, there is sure to be an activity or two you'll find interesting and exciting. Check out the calendar of events at [www.in.gov/dnr/lakemich/news/coastweek.html](http://www.in.gov/dnr/lakemich/news/coastweek.html) and enjoy the beauty of the Lake Michigan Coastal Area this September.
